

Membership Relief Fund Application

In an effort to provide some certainty to our valued SMPS members in this uncertain time, the Colorado Chapter of the Society for Marketing Professional Services (SMPS) is offering ten (10) paid-in-full membership renewals to deserving members in need. SMPS is the only national association that unites business development and marketing professionals from the architectural, engineering, and construction (A/E/C) industry — now more than ever we recognize the need for unity.

We understand that many of our members and their firms are facing challenging financial circumstances, but the need for continuing education and connectivity to peers, leaders and decision makers that SMPS provides remains vital. Our hope is to never let an engaged member lose their SMPS benefits due to financial hardship.

RELIEF FUND BENEFITS

- Paid in full membership renewal (\$399)
SMPS Colorado will submit payment directly to SMPS Headquarters

RELIEF FUND ELIGIBILITY

- Members of the SMPS Colorado chapter whose memberships has recently expired or is soon to expire
Members with membership expiration dates between 04.01.2020 through 08.31.2020 are eligible to apply

Please email your application to admin@smpscolorado.org by July 15 — recipients will be notified by email no later than July 30.
